

Initial information for creditors

**Elegance Business Services Pty Ltd
(In Liquidation)
A.C.N. 614 560 575 (“the Company”)**

The purpose of this document is to provide you with information about the liquidation of Elegance Business Services Pty Ltd (In Liquidation) and your rights as a creditor.

1. Information for creditors

1.1 Notification of appointment

I was appointed Liquidator of the Company on 31 July 2019 pursuant to an Order made by the Federal Court of Australia. The petitioning creditor, the Deputy Commissioner of Taxation (“the petitioning creditor”), lodged a winding up application with the Federal Court of Australia on 19 June 2019.

A copy of my Declaration of Independence, Relevant Relationships and Indemnities (“DIRRI”) is attached as **Annexure A**. The DIRRI assists you to understand any relevant relationships that I have, and any indemnities or upfront payments that have been provided to me. I have considered each relationship and it is my opinion that none of the relationships disclosed in the DIRRI result in a conflict of interest or duty or affect my independence.

1.2 What is a court liquidation?

A court liquidation is where an order to place a Company into liquidation is made by the court. Usually this is on application of a creditor where the Company has not paid its outstanding debt. In most circumstances, this means that the Company is insolvent.

My role as Liquidator is to administer the affairs of the Company, realise the assets and pay dividends (if any). I am also required to investigate the affairs of the Company and report any offences to Australian Securities and Investment Commission (“ASIC”).

1.3 What happens to your debt?

According to the information available to me, you are or may be a creditor of the Company.

All creditors of the Company are now creditors in the liquidation. As a creditor, you have certain rights, although your debt will now be dealt with in the liquidation.

If you have leased the Company property, have a retention of title claim or hold a Personal Property Security in relation to the Company, please contact my staff as soon as possible.

1.4 Your rights as a creditor

Information regarding your rights as a creditor is provided in the information sheet included at **Annexure B**. This includes your right to:

- Make reasonable requests for a meeting;
- Make reasonable requests for information;
- Give directions to me;
- Appoint a reviewing liquidator; and
- To replace me as liquidator.

2. Summary of the Company's affairs

Below is a summary of the information available from ASIC for the Company.

Company Details

Registered Office	279 Lakemba Street, Wiley Park NSW 2195	
Principal Place of Business	279 Lakemba Street, Wiley Park NSW 2195

Share Structure	Amount Paid	Amount Unpaid
10 Ordinary Shares	\$10.00	\$0.00
Current Shareholder	Shares Held/Type	Fully Paid
Salam Bin Mohammed	10 Ordinary Shares	Yes

3. Update on liquidation to date

Since my appointment, I have been unable to contact the Director to obtain information on the Company and the Company's books and records. To date, I have not received the books and records from the Director.

I have been advised that the Company operated Elegance Business Services Pty Ltd at 279 Lakemba Street, Wiley Park NSW 2195 and that it ceased to trade prior to my appointment.

Personal Properties and Securities Register ("PPSR") legislation became operational on 30 January 2012 and among other things replaced the previous system of security registration and retention of title. A search of the PPSR revealed no security interests.

My investigations are continuing, in particular with the following:

- Collection of books and records;
- Breaches of director's duties under S180 of the Corporations Act 2001;
- Voidable transactions available to the liquidator;
- Insolvent trading;
- Investigating the Company's affairs; and
- Reporting to the corporate regulator, ASIC.

I will write to creditors further, within three months of my appointment, advising whether a dividend is likely and update creditors on the progress of my investigations.

Whilst I have only commenced my preliminary investigations into the Company, I am seeking creditors assistance in providing any additional information which may assist with further asset recoveries. Please contact Tony Nguyen, of this office, by email at tnguyen@hogansprowles.com.au or by phone on (02) 8020 5870, if you have any information which may lead to further asset recoveries.

4. Costs of the liquidation

Included at **Annexure C** is my Initial Remuneration Notice. This document provides you with information about how I propose to be paid for undertaking the liquidation.

I am seeking approval of my proposed remuneration, without a meeting of creditors, via the following circular resolutions:

- Approve the current remuneration of the Liquidator for \$1,942 exclusive of GST (**Annexure D**);
- Approve the future remuneration of the Liquidator for \$43,058 exclusive of GST (**Annexure E**); and
- Approve the future disbursements of the Liquidator for \$2,000 exclusive of GST (**Annexure F**).

5. Further information

The Australian Restructuring Insolvency and Turnaround Association ("ARITA") provides information to assist creditors with understanding liquidations and insolvency. This information is available from ARITA's website at www.arita.com.au/creditors.

ASIC also provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at www.asic.gov.au (search for "insolvency information sheets").

Declaration of Independence, Relevant Relationships and Indemnities

Elegance Business Services Pty Ltd (In Liquidation)
A.C.N. 614 560 575 ("the Company")

This document requires the Practitioner appointed to an insolvent entity to make declarations as to:

- A. their independence generally;
- B. relationships, including
 - i the circumstances of the appointment;
 - ii any relationships with the Company and others within the previous 24 months;
 - iii any prior professional services for the Company within the previous 24 months;
 - iv that there are no other relationships to declare; and
- C. any indemnities given, or up-front payments made, to the Practitioner.

This declaration is made in respect of myself, my partners and HoganSprowles.

A. Independence

I, Christian Sprowles of HoganSprowles have undertaken a proper assessment of the risks to my independence prior to accepting the appointment as Liquidator of Elegance Business Services Pty Ltd (In Liquidation) in accordance with the law and applicable professional standards. This assessment identified no real or potential risks to our independence. I am not aware of any reasons that would prevent me from accepting this appointment.

B. Declaration of Relationships

i Circumstances of appointment

On 6 June 2019, I was contacted by Alisha Jiwani from Craddock Murray Neumann Lawyers, who acts on behalf of the petitioning creditor, Deputy Commissioner of Taxation ("the ATO"), seeking my consent to act as Liquidator of the Company. I provided my consent to act as Liquidator of the Company. Subsequently, on 1 August 2019, I was contacted by Alisha Jiwani, who informed me I was appointed Liquidator of Elegance Business Services Pty Ltd (In Liquidation) by the Federal Court of Australia on 31 July 2019.

The reason I believe this relationship does not result in the Liquidator having a conflict of interest or duty are:

- Referral from insolvency practitioners are common place and do not impact on my independence in carrying out my duties as Liquidator of the Company;

- Referrals from this source, and associated fees, are not a significant percentage of my business and accordingly, I am by no means dependent on referrals from this source.

ii Relevant Relationships (excluding Professional Services to the Insolvent)

Neither I, nor my firm, have, or have had within the preceding 24 months, any relationships with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has security over the whole or substantially the whole of the Company's property.

There are no other prior professional or personal relationships that should be disclosed.

iii Prior Professional Services to the Insolvent

Neither I, nor my Firm, have provided any professional services to the Company in the previous 24 months.

iv No other relevant relationships to disclose

There are no other known relevant relationships, including personal, business and professional relationships, from the previous 24 months with the Company, an associate of the Company, a former insolvency practitioner appointed to the Company or any person or entity that has a charge on the whole or substantially the whole of the Company's property that should be disclosed.

C. Indemnities and up-front payments

We have not been indemnified in relation to this liquidation, other than any indemnities that we may be entitled to under statute and we have not received any up-front payments in respect of our remuneration or disbursements.

Dated: 9 August 2019

Christian Sprowles
Liquidator

NOTE:

1. *If circumstances change, or new information is identified, I am/we are required under the Corporations Act 2001 and the ARITA Code of Professional Practice to update this Declaration and provide a copy to creditors with my/our next communication as well as table a copy of any replacement declaration at the next meeting of the insolvent's creditors.*
2. *Any relationships, indemnities or up-front payments disclosed in the DIRRI must not be such that the Practitioner is no longer independent. The purpose of components B and C of the DIRRI is to disclose relationships that, while they do not result in the Practitioner having a conflict of interest or duty, ensure that creditors are aware of those relationships and understand why the Practitioner nevertheless remains independent.*

Creditor Rights in Liquidations

As a creditor, you have rights to request meetings and information or take certain actions:

Right to request a meeting

In liquidations, no meetings of creditors are held automatically. However, creditors with claims of a certain value can request in writing that the liquidator hold a meeting of creditors.

A meeting may be requested in the first 20 business days in a creditors' voluntary liquidation by $\geq 5\%$ of the value of the debts held by known creditors who are not a related entity of the company.

Otherwise, meetings can be requested at any other time or in a court liquidation by:

- $> 10\%$ but $< 25\%$ of the known value of creditors on the condition that those creditors provide security for the cost of holding the meeting
- $\geq 25\%$ of the known value of creditors
- creditors by resolution, or
- a Committee of Inspection (this is a smaller group of creditors elected by, and to represent, all the creditors).

If a request complies with these requirements and is 'reasonable', the liquidator must hold a meeting of creditors as soon as reasonably practicable.

Right to request information

Liquidators will communicate important information with creditors as required in a liquidation. In addition to the initial notice, you should receive, at a minimum, a report within the first three months on the likelihood of a dividend being paid.

Additionally, creditors have the right to request information at any time. A liquidator must provide a creditor with the requested information if their request is 'reasonable', the information is relevant to the liquidation, and the provision of the information would not cause the liquidator to breach their duties.

A liquidator must provide this information to a creditor within 5 business days of receiving the request, unless a longer period is agreed. If, due to the nature of the information requested, the liquidator requires more time to comply with the request, they can extend the period by notifying the creditor in writing.

Requests must be reasonable.

They are not reasonable if:

Both meetings and information:

- (a) complying with the request would prejudice the interests of one or more creditors or a third party
- (b) there is not sufficient available property to comply with the request
- (c) the request is vexatious

Meeting requests only:

- (d) a meeting of creditors dealing with the same matters has been held, or will be held within 15 business days

Information requests only:

- (e) the information requested would be privileged from production in legal proceedings
- (f) disclosure would found an action for breach of confidence
- (g) the information has already been provided
- (h) the information is required to be provided under law within 20 business days of the request

If a request is not reasonable due to (b), (d), (g) or (h) above, the liquidator must comply with the request if the creditor meets the cost of complying with the request.

Otherwise, a liquidator must inform a creditor if their meeting or information request is not reasonable and the reason why.

Specific queries about the liquidation should be directed to the liquidator's office.

Right to give directions to liquidator

Creditors, by resolution, may give a liquidator directions in relation to a liquidation. A liquidator must have regard to these directions, but is not required to comply with the directions.

If a liquidator chooses not to comply with a direction given by a resolution of the creditors, they must document their reasons.

An individual creditor cannot provide a direction to a liquidator.

Right to appoint a reviewing liquidator

Creditors, by resolution, may appoint a reviewing liquidator to review a liquidator's remuneration or a cost or expense incurred in a liquidation. The review is limited to:

- remuneration approved within the six months prior to the appointment of the reviewing liquidator, and
- expenses incurred in the 12 months prior to the appointment of the reviewing liquidator.

The cost of the reviewing liquidator is paid from the assets of the liquidation, in priority to creditor claims.

An individual creditor can appoint a reviewing liquidator with the liquidator's consent, however the cost of this reviewing liquidator must be met personally by the creditor making the appointment.

Right to replace liquidator

Creditors, by resolution, have the right to remove a liquidator and appoint another registered liquidator.

For this to happen, there are certain requirements that must be complied with:

**For more information, go to www.arita.com.au/creditors.
Specific queries about the liquidation should be directed to the liquidator's office.**

INITIAL REMUNERATION NOTICE

Insolvency Practice Schedule (Corporations) 70-50
Insolvency Practice Rules (Corporation) 70-35

Elegance Business Services Pty Ltd (In Liquidation)
A.C.N. 614 560 575 (“the Company”)

The purpose of the Initial Remuneration Notice is to provide you with information about how I propose my remuneration for undertaking the Liquidation will be set.

1 Remuneration Methods

There are four basic methods that can be used to calculate the remuneration charged by an insolvency practitioner. They are:

- A. **Time based / hourly rates:** This is the most common method. The total fee charged is based on the hourly rate charged for each person who carried out the work multiplied by the number of hours spent by each person on each of the tasks performed.
- B. **Fixed Fee:** The total fee charged is normally quoted at the commencement of the administration and is the total cost for the administration. Sometimes a practitioner will finalise an administration for a fixed fee.
- C. **Percentage:** The total fee charged is based on a percentage of a particular variable, such as the gross proceeds of assets realisations.
- D. **Contingency:** The practitioner’s fee is structured to be contingent on a particular outcome being achieved.

2 Method chosen

Given the nature of this liquidation I propose that my remuneration be calculated on a time based/hourly rates basis. The amount of work required and the recoveries from Company assets are at this stage not known to me and accordingly the time based/hourly rates basis best allows me to accurately determine how much work has been completed in the liquidation and remunerate accordingly. I have chosen the time based/hourly rates method because:

- This method is considered to be the most suitable for this appointment as it ensures creditors are only charged for work that is performed in the liquidation, which can be difficult to accurately estimate at the date of appointment.
- Even later than the date of appointment, it can be difficult to estimate the time that may be required in advance of the substantive work being undertaken. The time-based method in this case again ensures that creditors are only charged for work that is actually performed in the external Liquidation.
- The practitioner is required to perform a number of tasks which do not relate to the realisation of assets, for example, reporting to the Australia Securities and Investments Commission (“ASIC”), undertaking investigations, responding to creditor enquiries and distributing funds to creditors.

- The practitioner has a time recording system that can produce a detailed analysis of the time spent on each type of task by each individual staff member in the liquidation.
- Time based remuneration calculates fees upon a basis of time spent at the level appropriate to the work performed.

3 Explanation of Hourly Rates

The rates for my remuneration calculation are set out in the attached table, schedule of hourly rates, together with a general guide showing the qualifications and experience of staff engaged in the administration and the role they take in the administration. The hourly rates charged encompass the total cost of providing professional services and should not be compared to an hourly wage. Time is charged in six-minute increments.

4 Estimated remuneration

I have estimated that this liquidation will cost approximately \$45,000 exclusive of GST to completion, subject to the following variables which may have a significant effect on this estimate and that I am unable to determine at this early stage in the Liquidation:

- The time required to obtain the Company books and records from the director and third parties;
- The recovery of the Company's assets (if any);
- Investigations required into the business affairs of the Company and identify any assets or recoveries available to the liquidator; and
- Any matters identified that are required to be reported to statutory authorities, such as ASIC.

The Liquidator's time costs are recoverable only against the asset realisations available.

5 Disbursements

Disbursements are divided into three types:

- **Externally provided professional services** - these are recovered at cost. An example of an externally provided professional service disbursement is legal fees.
- **Externally provided non-professional costs** such as travel, accommodation and search fees - these are recovered at cost.
- **Internal disbursements** such as photocopying, printing and postage. These disbursements, if charged to the Administration, would generally be charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis.

I am not required to seek creditor approval for disbursements paid to third parties but must account to creditors. However, I must be satisfied that these disbursements are appropriate, justified and reasonable.

I am required to obtain creditor's consent for the payment of internal disbursements where there may be a profit or advantage. Creditors will be asked to approve my internal disbursements where there is a profit or advantage prior to these disbursements being paid from the liquidation.

Details of the basis of recovering disbursements in this liquidation are provided below.

Information sheet: Proposals without meetings

You may be a creditor in a liquidation, voluntary administration or deed of company arrangement (collectively referred to as an external administration).

You have been asked by the liquidator, voluntary administrator or deed administrator (collectively referred to as an external administrator) to consider passing a proposal without a meeting.

This information sheet is to assist you with understanding what a proposal without a meeting is and what your rights as a creditor are.

What is a proposal without a meeting?

Meetings of creditors were previously the only way that external administrators could obtain the views of the body of creditors. However, meetings can be very expensive to hold.

A proposal without a meeting is a cost effective way for the external administrator to obtain the consent of creditors to a particular course of action.

What types of proposals can be put to creditors?

The external administrator is able to put a range of proposals to creditors by giving notice in writing to the creditors. There is a restriction under the law that each notice can only contain a single proposal. However, the external administrator can send more than one notice at any single time.

What information must the notice contain?

The notice must:

- include a statement of the reasons for the proposal and the likely impact it will have on creditors if it is passed
- invite the creditor to either:
 - vote yes or no to the proposal, or
 - object to the proposal being resolved without a meeting, and
- specify a period of at least 15 business days for replies to be received by the external administrator.

If you wish to vote or object, you will also need to lodge a Proof of Debt (POD) to substantiate your claim in the external administration. The external administrator will provide you with a POD to complete. You should ensure that you also provide documentation to support your claim.

If you have already lodged a POD in this external administration, you do not need to lodge another one.

The external administrator must also provide you with enough information for you to be able to make an informed decision on how to cast your vote on the proposal. With some types of proposals, the law or ARITA's Code of Professional Practice sets requirements for the information that you must be provided.

For example, if the external administrator is asking you to approve remuneration, you will be provided with a Remuneration Approval Report, which will provide you with detailed information about how the external administrator's remuneration for undertaking the external administration has been calculated.

What are your options if you are asked to vote on a proposal without a meeting?

You can choose to vote yes, no or object to the proposal being resolved without a meeting.

How is a resolution passed?

A resolution will be passed if more than 50% in number and 50% in value (of those creditors who did vote) voted in favour of the proposal, but only so long as not more than 25% in value objected to the proposal being resolved without a meeting.

What happens if the proposal doesn't pass?

If the proposal doesn't pass and an objection is not received, the external administrator can choose to amend the proposal and ask creditors to consider it again or the external administrator can choose to hold a meeting of creditors to consider the proposal.

The external administrator may also be able to go to Court to seek approval.

What happens if I object to the proposal being resolved without a meeting?

If more than 25% in value of creditors responding to the proposal object to the proposal being resolved without a meeting, the proposal will not pass even if the required majority vote yes. The external administrator will also be unable to put the proposal to creditors again without a meeting.

You should be aware that if you choose to object, there will be additional costs associated with convening a meeting of creditors or the external administrator seeking the approval of the Court. This cost will normally be paid from the available assets in the external administration.

This is an important power and you should ensure that it is used appropriately.

Where can I get more information?

The Australian Restructuring Insolvency and Turnaround Association (ARITA) provides information to assist creditors with understanding external administrations and insolvency.

This information is available from ARITA's website at artia.com.au/creditors.

ASIC also provides information sheets on a range of insolvency topics. These information sheets can be accessed on ASIC's website at asic.gov.au (search for "insolvency information sheets").

Part 3: Remuneration

3.1 Remuneration claim resolutions

I will be seeking approval of the following resolutions to approve my remuneration. Details to support these resolutions are included in section 3.2 and in the attached Schedules.

Resolution 1: from 31 July 2019 to the 9 August 2019

“That the retrospective remuneration of the Liquidator from 31 July 2019 to 9 August 2019 is determined at a sum equal to the cost of time spent by the Liquidator, his partners and staff, calculated at the hourly rates as detailed in the Liquidator’s Remuneration Report dated 9 August 2019 that may be increased at a rate of 10% at 1 July each year (rounded to the nearest \$10), up to a capped amount of \$1,942 exclusive of GST, and that the Liquidator can draw the remuneration on a monthly basis or as required.”

Resolution 2: from 10 August 2019 to the conclusion of the liquidation

“That the future remuneration of the Liquidator from 10 August 2019 to completion is determined at a sum equal to the cost of time spent by the Liquidator, his partners and staff, calculated at the hourly rates as detailed in the Liquidator’s Remuneration Report of 9 August 2019 that may be increased at a rate of 10% at 1 July each year (rounded to the nearest \$10), up to a capped amount of \$43,058 exclusive of GST, and that the Liquidator can draw the remuneration on a monthly basis or as required.”

3.2 Details of remuneration

The attached Schedules, A and B, set out the predicted time charges to each major task area by staff members working on the liquidation for the period between 31 July 2019 to 9 August 2019 which is the basis of the Resolution 1 claim and from 10 August 2019 to the completion which is the basis of the Resolution 2 claim. More detailed descriptions of the tasks performed within each task area, matching the amounts below, are contained in Schedule C and D below.

3.3 Total remuneration reconciliation

In preparing this remuneration approval report, I have made my best estimate at what I believe the liquidation will cost to complete and I do not anticipate that I will have to ask creditors to approve any further remuneration. However, should the liquidation not proceed as expected, I will advise creditors and I may seek approval of further remuneration and provide details on why the remuneration has changed. Matters that may affect the progress and the cost of the liquidation, include the task involved in pursuing recoveries.

Part 4: Disbursements

Details of the type and calculation of disbursements are included in the attached initial remuneration notice. Disbursements are divided into three types:

- **Externally provided professional services** - these are recovered at cost. An example of an externally provided professional service disbursement is legal fees.
- **Externally provided non-professional costs** - these are recovered at cost. Examples of externally provided non-professional costs are travel, accommodation and search fees.
- **Internal disbursements** such as photocopying, printing and postage. These disbursements, if charged to the Liquidation, would generally be charged at cost; though some expenses such as telephone calls, photocopying and printing may be charged at a rate which recoups both variable and fixed costs. The recovery of these costs must be on a reasonable commercial basis. Details of the basis of recovery of each of these costs is discussed in my initial remuneration notice.

I have undertaken a proper assessment of disbursements claimed for the Company, in accordance with the law and applicable professional standards. I am satisfied that the disbursements claimed are necessary and proper.

Approval of the payment of my internal disbursements at the rates detailed in the attached initial remuneration notice to a capped amount of \$2,000 exclusive of GST is being sought from creditors via a proposal without a meeting.

Resolution 3: internal disbursements

“That the internal disbursements of the Liquidator from 31 July 2019 to completion is determined at a sum equal to the cost spent by the Liquidator, his partners and staff, calculated at the hourly rates as detailed in the Liquidator’s Remuneration Report dated 9 August 2019 such sum to be capped at the amount of \$2,000 exclusive of GST, and that the Liquidator can draw the disbursements on a monthly basis or as required.”

Part 5: Likely impact on dividends

The likelihood of a dividend being paid to creditors depends on the outcome of my investigations and any recoveries. A further notice will be sent to creditors prior to any dividend distribution.

Part 6: Remuneration Recoverable from External Sources

At this stage the Liquidator has not received, and is not entitled to receive, any funding from external sources in respect of remuneration.

Part 7: Report on Progress of the Liquidation

Please see the Liquidators’ Report to Creditors dated 9 August 2019.

Part 8: Summary of Receipts and Payments

There have been no receipts or payments to date.
